

EXPERTS' CHOICE FUNDS

13 December 2021

Product Disclosure Statement changes

We are updating the Product Disclosure Statement ('PDS') for Platform (Class A) investors in the following Experts' Choice funds (Funds) that will be reflected in the new PDS, available at www.ampcapital.com/pds/ibav/a from **13 December 2021**.

Fund marketing name	ARSN	APIR code
Experts' Choice Conservative Fund	089 056 593	HLR0004AU
Experts' Choice Balanced Fund	089 057 625	HLR0003AU
Experts' Choice Growth Fund	089 058 097	HLR0005AU
Experts' Choice Short-Term Money Market Fund	089 057 287	HLR0007AU
Experts' Choice Diversified Interest Income Fund	089 057 090	HLR0001AU
Experts' Choice Property and Infrastructure Fund	089 058 239	HLR0022AU
Experts' Choice Australian Shares Fund	089 057 947	HLR0002AU
Experts' Choice Small Companies Fund	125 467 601	HLR0023AU
Experts' Choice International Shares Fund	089 056 913	HLR0006AU

The key changes include, but are not limited to:

- Responsible Entity
- Investment Manager
- Updated summary of risk level (Diversified Interest Income Fund & Australian Shares Fund only)
- Updated indirect costs
- Bank account details

Please note these changes do not impact the way the Funds operate nor each Fund's strategy, whilst the Funds' key investment team members and other features such as fees and applicable costs will also remain the same.

Full details of the changes can be found in the PDS. As always, we recommend you read this document to understand the main benefits and risks of investing, along with other features of the Funds. A summary of the key change to the Funds' features is also set out below for your reference.

The responsible entity has changed (effective on 13 December 2021)

The responsible entity (RE) for the Funds has changed from AMP Capital Funds Management Limited (AMPCFM) to ipac Asset Management Limited (IAM), another member of the AMP Group.

What's the role of a responsible entity?

As trustee, the responsible entity makes sure the Funds are managed in the best interests of investors and in compliance with the law.

For your reference, details for AMPCFM and IAM are shown below.

Responsible Entity (RE)	ABN	AFSL
Previous RE		
AMP Capital Funds Management Limited (AMPCFM)	15 159 557 721	426455
New RE		
ipac Asset Management Limited (IAM)	22 003 257 225	234655

Who is ipac Asset Management and what are the benefits of the change of RE?

IAM is a member of the AMP Group and already acts as a responsible entity for similar funds, with a sole focus on funds which use multi-manager as well as multi-asset investment approaches. Importantly, IAM is dedicated to acting as an RE and does not carry on other substantive businesses or activities.

We believe that the appointment of IAM as RE is in the best interests of unitholders in each Fund and is expected to provide a number of benefits, including:

- accessing IAM's specialist RE expertise in the operation of multi-manager and multi-asset funds, which it has gained from its significant experience in operating these fund types for over 30 years;
- providing for further focus and efficiencies in operational and governance functions for the Funds, as well as alignment with AMP's organisational structure into the future; and
- ensuring seamless transition of the operations of the Funds, given IAM is a related entity within the AMP Group and key personnel, systems and resources that manage and support the Funds will remain the same.

The investment manager has changed (effective on 13 December 2021)

AMP Capital Investors Limited (AMPCI) was the previous investment manager for the Funds. When IAM became the responsible entity, it appointed National Mutual Funds Management Ltd (NMFM) as the replacement investment manager for the Funds in place of AMPCI. **NMFM is also a member of the AMP Group and will retain AMPCI's Multi-Asset Group's investment capability**, which has significant experience as an investment manager for multi-manager as well as multi-asset investment approaches.

For your reference, details for AMPCI and NMFM are shown below.

Investment manager	ABN	AFSL
Previous investment manager		
AMP Capital Investors Limited (AMPCI)	59 001 777 591	232497
New investment manager		
National Mutual Funds Management Ltd (NMFM)	32 006 787 720	234652

As the investment manager, NMFM will be responsible for the management and investment of the Funds' assets. Part of this role is to conduct research into and appoint specialist investment managers who undertake investment activities in the underlying assets of the Funds. These managers range from large global firms to boutique managers. NMFM will blend the mix of these managers to construct a portfolio with the aim to deliver strong investment outcomes for the Funds' investors.

Who is National Mutual Funds Management Ltd?

NMFM brings a focus to multi-asset investing. Importantly, NMFM will retain AMPCI's Multi-Asset Group's investment capability.

The Multi-Asset Group has provided innovative multi-asset investment solutions for investors for more than 40 years and comprises a team of over 20 investment professionals with specialist expertise in economic analysis, asset allocation, portfolio and risk management and manager selection. We believe that the team's broad range of skills and experience provides an edge in constructing portfolios across various portfolio types and objectives that suit a wide range of investors.

As a member of the AMP Group, NMFM has access to the resources of the AMP Group which are comparable to those available to AMPCI.

Importantly, while the responsible entity and investment manager entities are changing, the investment strategies for the Funds will remain the same, along with key personnel, systems and resources that manage and support the Funds. Furthermore, we believe that as a related entity within the AMP Group, NMFM's appointment as investment manager ensures a seamless transition of the operation of the Funds.

Why have the responsible entity and the investment manager changed and does this impact the day-to-day management of my Fund?

As part of AMP Limited's (AMP) business strategy to simplify and streamline its organisation, AMP has been undertaking a review of its funds management functions and structure and identified a number of benefits to the consolidation of its responsible entity and investment manager arrangements.

The transition of the Multi-Asset Group business to AMP's Australian wealth management business will establish an end-to-end superannuation and investment business, better able to deliver a strong investment proposition, whilst serving our clients.

We believe that IAM's appointment as RE of the Funds, and the related change in investment manager, will not lead to any material change in the way that the Funds, and their investments, are managed.

Updated Summary of risk level

Following a recent review, the Risk band and Risk label for the following Funds only will be updated:

Fund marketing name	NEW		PREVIOUS	
	Risk band	Risk label	Risk band	Risk label
Experts' Choice Diversified Interest Income Fund	4	Medium	3	Low to medium
Information about new Risk band and Risk label	This means we estimate the number of negative annual returns over any 20-year period would be in the range of 2 to less than 3.			
Experts' Choice Australian Shares Fund	7	Very high	6	High
Information about new Risk band and Risk label	This means we estimate the number of negative annual returns over any 20-year period would be in the range of 6 or greater.			

Updated estimates of indirect costs

While there have been no changes to the fee structure that applies, our estimates of certain fees and costs for the Funds have been updated following our latest review, to ensure they accurately reflect the costs of managing the Funds.

Full details can be found in the PDS. As always, we recommend you read this document to understand the main benefits and risks of investing, along with other features of the Funds.

Bank account details have changed (effective from 13 December 2021)

The bank account details for all applications when you invest into the Funds have changed to:

Bank account feature	Bank Details
Account name	IPAC Asset Management Ltd Applications Trust account
Account number	402362003
BSB	255-000

What will happen if application money is paid to the previous bank account?

From 13 December 2021 up until 31 January 2022, if your application money is paid to the previous bank account, we will redirect the funds to the new bank account.

However **after 31 January 2022**, if your application money is paid to the previous bank account, the money will be returned to you and we will unfortunately not be able to process your application to invest until the money is paid to the new bank account, as shown in the table above.

Is any action required by investors?

Please note the change of bank account details for all future applications.

No additional action is required by investors.
