The **Netwealth Index Opportunities Conservative Fund** (the 'Fund') Product Disclosure Statement ('PDS') is temporarily unavailable.

Netwealth has undertaken a review of the investment management of the Fund and as a result will be making a number of important changes to the way the Fund invests, including the appointment of a new investment manager. Whilst the Fund's investment objective and investment strategy will remain unchanged, there will be changes to the underlying investments of the Fund.

As a result of these changes, Netwealth has temporarily closed the Fund to further investment whilst we implement these changes.

Netwealth expects to re-issue the PDS and re-open the Fund in December 2021. Further information detailing the changes will be sent to existing investors closer to this date.
