

Superannuation Benefit payment

NWREDESGBP

Please use **BLACK** pen and **BLOCK** letters.

A partial benefit payment to your nominated bank account may be completed online. The offline transaction fee will apply if you choose to undertake this type of transaction offline using this form. The offline transaction fee will not apply to other transactions completed using this form. If you do not currently have access to your Netwealth account, you can contact your adviser to arrange the transaction or arrange online access using a 'Change of details' form available from our website.

Step 1. Provide member details

Client name	<input type="text"/>																																							
Client number	<input type="text"/>	Account number	<input type="text"/>																																					

Step 2. Do you intend to claim a tax deduction on personal contributions (only applicable to accumulation accounts)

Warning! If you intend to claim a tax deduction for personal non-concessional contributions made to your Netwealth account in the current and/or previous financial year but have not yet done so, you must either claim online or submit a 'Notice of intent to claim or vary a deduction for personal super contributions' form to Netwealth prior to submitting this benefit payment request.

If you withdraw or rollover all or part of your superannuation benefit before lodging a notice of intent to claim a deduction, the deduction amount able to be claimed on those contributions will be reduced, and may be eliminated entirely.

A copy of the 'Notice of intent to claim or vary a deduction for personal super contributions' form is available on our website, or by contacting Netwealth. If you require any clarification, please contact your financial adviser or Netwealth prior to submitting this form.

Please tick one of the following options:

- Yes** I intend to claim a deduction and I have either already claimed online or have attached a 'Notice of intent to claim or vary a deduction for personal super contributions' form.
- No** I do not wish to claim a tax deduction for my personal contributions.

Step 3. Nominate the type of benefit payment

- Rollover** (Please go to Step 4)
- OR **'Once off' income stream payment** (Please go to Step 5)
- OR **Lump sum benefit payment** (Please go to Step 6)
- OR **Convert benefits to unrestricted non-preserved only** (Please go to Step 6 to tick a condition of release, then proceed to Step 10)

Step 4. Provide rollover benefit payment details

Rollover fund	<input type="text"/>																																							
Australian Business Number (ABN)	<input type="text"/>	Account number	<input type="text"/>																																					
Unique Super Identifier (USI) / Electronic Service Address (ESA)	<input type="text"/>																																							

A Self Managed Super Fund must have registered a complying ESA and bank details with the ATO to instruct a rollover. We verify these details that you are a member of the fund and confirm the fund is compliant and able to receive rollovers.

Full cash rollover² – you instruct Netwealth to redeem all of your investments and rollover your benefits once the redemption proceeds are received. Orders to redeem listed securities will be placed at market price through our default platform broker and brokerage fees will apply.

If this account holds suspended investments that may prevent this transaction from being processed in one amount, we will transfer as much as possible now¹. A new request will need to be made should you wish to make any further withdrawals from your account.

Partial cash rollover¹ – you instruct Netwealth to rollover the following amount from available cash.
(Please ensure sufficient cash is available by requesting investment redemptions in Step 8 or making redemptions online.)

Amount \$ OR All available cash

Full in-specie rollover² – you instruct Netwealth to transfer all investments and cash.
(Investments which are not to be transferred should be redeemed online prior to submitting this form or requested in Step 8.)

Partial in-specie rollover¹ – you instruct Netwealth to transfer only the investments nominated in Step 9.
(If you would like any cash rolled over, please include this instruction under the 'Partial cash rollover' section above.)

¹ You must ensure that you maintain the required minimum balances in your cash account and Netwealth Superannuation Master Fund account. Where we receive a request which is likely to result in these balances falling below either minimum, we may be unable to action your instruction.

² Where your account is an income stream, you instruct Netwealth to continue to pay your established income stream payments and where required make an additional income stream payment to ensure you meet the annual pro-rata minimum payment required to maintain your account's income stream status until closure.

Step 7. Nominate where you would like your benefits paid

⚠ You can only nominate a bank account that is held in your name, a joint bank account for which you are one of the account holders or a superannuation fund in which you are a member (i.e. **Self Managed Superannuation Fund**). Payments will not be made to third parties.

Cash rollovers to SMSFs can only be paid to a bank account registered with the ATO. If you would like the cash rollover paid into a Netwealth Wrap account owned by your SMSF, you will need to register your SMSF's Netwealth weblink account with the ATO prior to instructing the rollover. Your SMSF's weblink account is 013-993 999***** [with * being the last six digits of the account number. e.g the weblink account for WRAP123456 is 013-993 999123456]

Pay to a bank account – your cash withdrawal will be paid to the account you nominate.

Pay to my nominated bank account (currently recorded for my Netwealth account);

OR Pay to **new nominated bank account** (below) and record this bank account as my nominated bank account for future payments;

OR Pay to a **'one-off' bank account** (below) to be used for this withdrawal only. Do not change my nominated bank account.

⚠ Where you provide new nominated or new 'one-off' bank account details, we require that this form is signed by you (the member) and either the **original copy** of this form to be returned to Netwealth, or uploaded by your Adviser Representative via the Document Upload facility. For security reasons we may contact you to validate this request.

Tax considerations: transfers out of the Netwealth Superannuation Master Fund will be considered a change of beneficial ownership and trigger a capital gains event.

Step 8. Nominate investments to redeem

If you have nominated a full cash withdrawal or rollover, you do not need to nominate investments to redeem as we will take this instruction to redeem all your investments. If you have nominated a partial cash withdrawal, you will only need to nominate investments to redeem if you don't have sufficient available funds in your cash account to cover the benefit payment and have not already placed redemptions online.

Money received on redemption will be placed in your cash account, and the benefit payment will be made once sufficient funds are available.
