

# Super Accelerator

Discover a flexible, cost-effective alternative to manage and grow your super.

**Netwealth Super Accelerator is a next generation super solution that provides you and your financial adviser access to:**

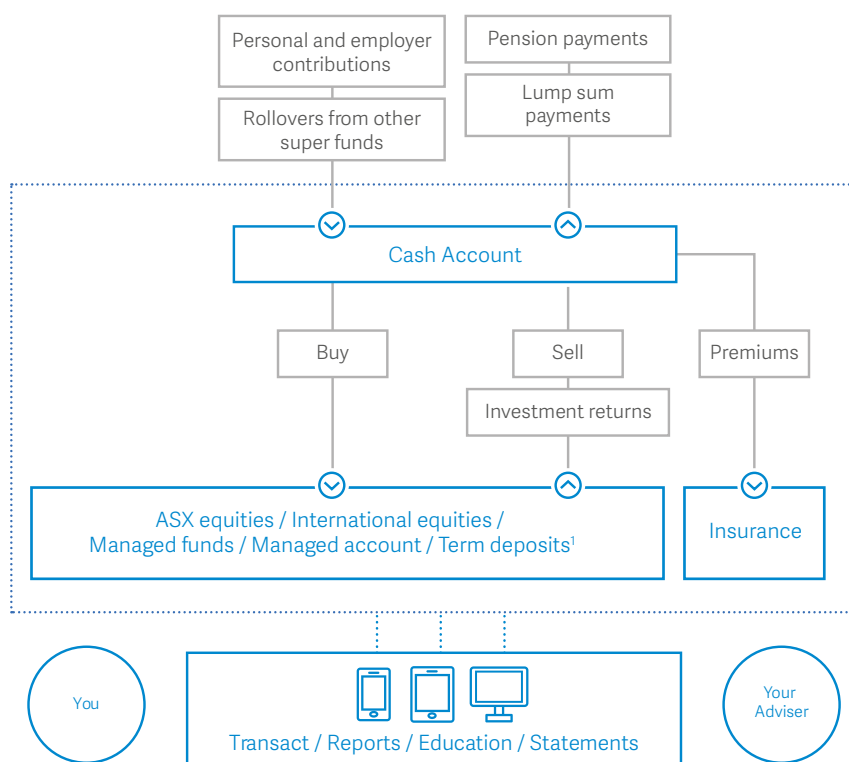

- A wide range of investment options
- Online portfolio management tools
- Online portfolio reports
- Competitive pricing and fee-saving initiatives

## A wide range of investment options

Your Super Accelerator account gives you access to:

- ASX-listed shares and other securities
- Shares listed on 10 overseas exchanges
- 280+ wholesale managed funds
- Managed account investment models
- Term deposits and cash

## Your Netwealth super account

## Online and mobile portfolio management tools

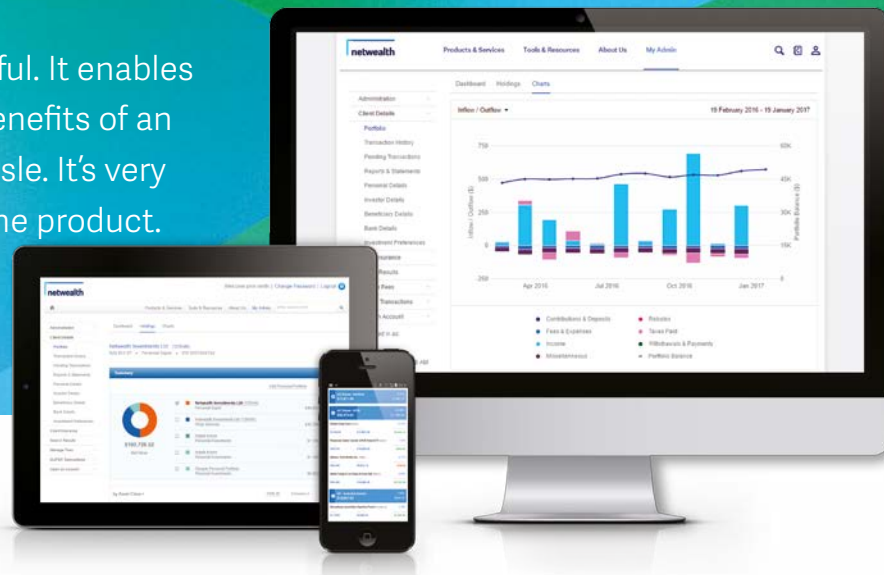

Managing your super can be challenging and time-consuming without the right tools. Super Accelerator gives you centralised online access for you and your adviser to track and manage all your investments and accounts:

- Buy and sell investments
- Track the value and performance of your investments
- Access a suite of reports, including asset performance and allocation
- Access via PC, tablet or mobile

<sup>1</sup> Not all investments are available in Core option.

Super Accelerator is wonderful. It enables me to achieve most of the benefits of an SMSF without any of the hassle. It's very flexible... I'm delighted with the product.

## Clear and simple fees

Getting more out of your retirement isn't just about choosing the right investments. Managing costs via our fee-smart initiatives will also help!

- Pricing is flexible & competitive
- Administration fees are capped on any account balance over \$1 million for our Plus option and \$250,000 for our Core option
- You can link up to 6 accounts of immediate family members in the calculation of administration fees
- ASX share trades are \$20 regardless of trade size
- Investor reward rebates – you receive a cash reward when you invest in certain managed funds
- No transaction fees payable when you buy or sell managed funds or term deposits online

## Investment flexibility and control

Super Accelerator is a flexible service that can be tailored to individual fee preferences and investment requirements.

Core offers a low-cost alternative, whilst Plus provides access to a broader range of investment options.
