Other Upcoming Changes to Dimensional Wholesale Trusts and PDSs – August 2021

Effective on or around **2 August 2021**, changes are being made to the following Dimensional Wholesale Trusts (collectively, **Trusts**): Dimensional Emerging Markets Trust, Dimensional Two-Year Diversified Fixed Interest Trust, Dimensional Sustainability World Allocation 70/30 Trust, Dimensional World Allocation 30/70 Trust, Dimensional World Allocation 50/50 Trust, Dimensional World Allocation 70/30 Trust and Dimensional World Equity Trust. The changes are as follows:

- Following the expected launch of Dimensional Emerging Markets Sustainability Trust*, “International Equities–Emerging” will be added as an eligible asset class for the Dimensional Sustainability World Allocation 70/30 Trust, with a target allocation range of 0-10%, and the underlying fund being the Dimensional Emerging Markets Sustainability Trust. To date, this was not one of the eligible asset classes for the Dimensional Sustainability World Allocation 70/30 Trust.
- The Dimensional Emerging Markets Trust will be renamed “Dimensional Emerging Markets Value Trust”. This change is being made in view of the anticipated launch of the Dimensional Emerging Markets Sustainability Trust (which will be a “core equity” strategy) to better reflect the Dimensional Emerging Markets Trust’s investment objective and is not a change in investment strategy.
- The Dimensional Two-Year Diversified Fixed Interest Trust will change investment strategy to take into account certain environmental and sustainability impact and social considerations. To reflect this change, it will be renamed “Dimensional Two-Year Sustainability Fixed Interest Trust”. The integration of certain environmental and sustainability impact and social considerations will be similar to Dimensional’s other sustainability fixed interest strategies, including the Dimensional Global Bond Sustainability Trust.
- The Dimensional World Allocation 30/70 Trust, Dimensional World Allocation 50/50 Trust, Dimensional World Allocation 70/30 Trust and Dimensional World Equity Trust (collectively, **World Allocation Trusts**) will include the forthcoming Dimensional Emerging Markets Sustainability Trust as an eligible underlying fund in the “International Equities–Emerging” exposure. To date, these World Allocation Trusts have used the Dimensional Emerging Markets Trust for “International Equities–Emerging” exposure.
- The Dimensional World Allocation 30/70 Trust will include the Dimensional Australian Core Imputation Trust as an eligible underlying fund in the “Australian Equity” exposure. To date, Dimensional World Allocation 30/70 Trust has invested in the Dimensional Australian Core Equity Trust for “Australian Equity” exposure.
- The above-mentioned name and strategy changes to underlying funds (Dimensional Emerging Markets Value Trust and Dimensional Two-Year Sustainability Fixed Interest Trust) will also be reflected in revised World Allocation Trusts’ PDSs.

*The proposed Dimensional Emerging Markets Sustainability Trust (Fund) is not yet available for investment. A PDS will set out the full terms of the Fund and offering, and is expected to be available on or around 20 July 2021, from the issuer of the PDS, DFA Australia Limited (ABN 46 065 937 671, Australian financial services license no. 238093) or by download from our website at www.dimensional.com.au. Investors should consider the PDS (once it is available) in deciding whether to invest in the Trust. Investors may also obtain a copy of DFA Australia Limited’s Financial Services Guide by calling (02) 8336 7100 or by download from our website at www.dimensional.com.au.
