- a minimum of 3 members; and
- an independent chair who is not the chair of the Board.

The Board may appoint additional non-executive directors to the Committee or remove and replace members of the Committee. Members may withdraw from membership by written notification to the Board.

Non-Committee members, including NWL or Subsidiary directors and members of management, may attend all or part of a meeting of the Committee at the invitation of the Committee chair.

The Chief Risk, Legal and Governance Officer, or their delegate is the secretary of the Committee (**Committee Secretary**) and must attend all meetings of the Committee.

The independent directors of NSS have a standing invitation and are entitled to attend meetings of the Committee except where, and to the extent, the chair of the Committee determines that all or part of the business of the meeting is confidential to NWL ¹¹ and/or a Subsidiary other than NSS, in which case the invitation and entitlement to attend does not apply.

¹¹ For example, where a non-disclosure agreement entered into by NWL requires that confidential information in relation to a proposed transaction only be made available to directors and other officers of NWL.

4.0 Information and Resources

NWL and the Subsidiaries must provide the Committee with whatever information and resources the Committee reasonably requires for the purpose of carrying out its functions under this Charter. This includes free and unfettered access to:

- other NWL and Subsidiary committees, including the Compliance and Risk Management Committee and the NSS Audit, Risk and Compliance Committee;
- relevant employees (including risk and financial control personnel) of NWL and the Subsidiaries; and
- contractors and advisers of NWL and the Subsidiaries (including any internal or external auditor).

The Chief Risk, Legal and Governance Officer (CRO) has overall responsibility for Governance reporting (including legal, risk and compliance) and must report to the Committee on risk outcomes of employees. The Chief People Officer (CPO) is responsible for reporting on people and remuneration matters. The CRO and CPO must report to the Committee on matters agreed with the Committee from time to time. It is expected that these reports will cover all matters for which the Committee has responsibility under this Charter and will be made at scheduled meetings or earlier if required.

5.0 Review

The Board will regularly review the performance, membership, and charter of the Committee to determine its adequacy for current circumstances and the Committee may make recommendations to the Board in relation to the Committee's membership, responsibilities, functions or otherwise.

6.0 Administrative matters and procedures

The proceedings of the Committee are conducted in accordance with provisions set out in Attachment 1.

Attachment 1

Administrative matters and procedures

1.1 Chair

The NWL Board must appoint a chair of the Committee (**Chair**) and may terminate that appointment at any time. If the Chair is not present at a meeting, the members present may elect a chair for that meeting, who must be an independent director of NWL who is not the chair of the NWL Board. The Chair may determine how a meeting of the Committee will be regulated. The Chair's decision on any matter relating to the conduct of a meeting is final.

1.2 Frequency of Meetings

The Committee meets as often as the Committee members deem necessary in order to fulfil their role. However, it is intended that the Committee meets at least four times per year.

1.3 Quorum

The quorum for a meeting of the Committee is at least 2 members present, either in person or by using any technology.

1.4 Convening and notice of meetings

Any member may, and the Committee Secretary must upon request from any member, convene a meeting of the Committee. Notice must be given to every member of the Committee, of every meeting of the Committee. However, there is no minimum notice period and acknowledgement of receipt of notice by all members is not required before the meeting may be validly held. The Committee Secretary, or their delegate, must distribute in advance of the meeting of the Committee the agenda and related papers to each of the Committee members or any other persons determined by the Committee.

1.5 Use of Technology

A meeting may be held using any technology that permits attendees to hear and be heard by the others attending the meeting.

1.6 Other attendees

At the invitation of the Chair, non-Committee members, including directors and management, may attend and speak at a Committee meeting¹².

1.7 Voting at meetings

The Committee pursues collective decision making and seeks consensus where possible. The Chair tests consensus and, if a unanimous view cannot be reached, decisions will be based on the majority view. Each Committee member has one vote. If an equal number of votes is cast for and against a resolution, the Chair does not have a casting vote in addition to their vote as a member, and the resolution is not passed.

1.8 Circulating Resolutions – Two or More Members

The Committee may pass a resolution without a Committee meeting being held if a majority of the members that are entitled to vote on the resolution sign a document containing a statement that they are in favour of

¹² The directors of NSS have a standing invitation and entitlement to attend as set out in 3.0.

the resolution set out in the document (referred to as a circulating resolution). Separate documents may be used for signing by the members if the wording of the resolution and statement is identical in each copy.

1.9 Obtaining information from management

The Committee may obtain information from and interview management where the Committee considers this necessary or appropriate to carry out its powers, duties, or responsibilities.

1.10 Independent advice

The Committee may seek the advice of the auditors, solicitors or other independent advisers, consultants, or specialists as to any matter pertaining to the powers or duties of the Committee or the responsibilities of the Committee. The Committee may obtain that advice at the reasonable expense of NWL or a Subsidiary, and where appropriate the Committee and NWL (or the Subsidiary) may arrange for advice to be provided to them jointly.

1.11 Minutes

Minutes of meetings of the Committee must be kept by the Committee Secretary and, after approval by the Chair, be presented at the next relevant board meeting. These minutes are available to any director of NWL, and any Subsidiary that has delegated to the Committee, on request. All minutes are stored by the Company Secretary.

1.12 Reporting

It is intended that a report of the actions of the Committee and a copy of the minutes of the Committee meeting, or both, be included in the board papers for the next relevant board meeting following approval of the minutes.

The Chair will provide a brief oral report to the relevant board as to any material matters arising out of the Committee meeting. The reporting must be done in a manner agreed from time to time between the Committee and the relevant Board. This may be done on an exceptions basis where matters are only separately reported where there is a departure from 'satisfactory and usual position' (i.e.: the compliant, adequate, desirable or appropriate position) or where the relevant board needs to consider and possibly act on information provided. All directors may, within the relevant board meeting, request information of members of the Committee.

1.13 Disclosure of interests and conflicts

Members of the Committee must disclose their interests that they may have in a matter being considered, or about to be considered, if their interest could conflict with the performance of their duties in accordance with the Corporations Act 2001.
