21 November 2022

Dear Investor,

**Revision of estimated fees and costs for the following funds:**

1. JPMorgan Global Strategic Bond Fund ARSN 166 529 791
  2. JPMorgan Global Macro Opportunities Fund – Class A Units ARSN 611 865 948
  3. JPMorgan Global Macro Sustainable Fund ARSN 625 091 198
- (each a “Fund” and collectively the “Funds”)

As part of our ongoing efforts to ensure our products remain consistent with prevailing market practices, JPMorgan Asset Management (Australia) Limited (the “**Manager**”), the Manager of the Funds will be revising the estimated fees and costs of the Funds which will take effect on or around 22 December 2022 (the “**Effective Date**”). Ordinary fund expenses will be absorbed into the relevant Fund’s management fee which would result in an increase in the management fee of each Fund. However this increase will not affect the overall estimated total management fees and costs for each Fund as all fund expenses incurred in the ordinary course of business of each Fund will be paid out of the management fee at no additional charge to you. As a result of these changes, the estimated total management fees and costs for each Fund will remain unchanged.

Further details of these changes are set out in Appendix 1 of this letter and will be reflected in the Product Disclosure Statement (“**PDS**”) of each Fund on the Effective Date. Please take a moment to review this important information. The PDS of the Funds will be available upon request at our registered office and on our website at <https://am.jpmorgan.com/au>.
